

# LAMBTON-KENT

Come study at one of 11 schools with the Lambton-Kent District School Board! (LKDSB)

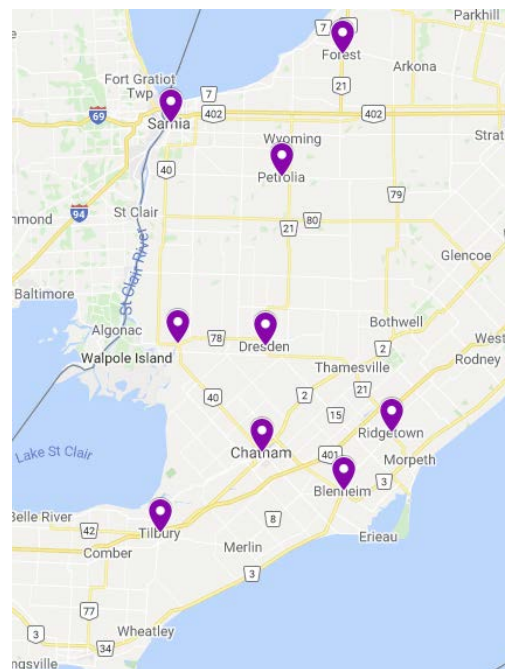

*Sunset on Erie Lake and Rondeau Provincial Park*

The Lambton-Kent school district is located in Southern Ontario, surrounded by two of the five Great Lakes where you can stumble upon many beach towns. Being only one hour north of Detroit, USA, and three hours south of Toronto, there are plenty of opportunities to discover the region.

The district serves **two smaller cities such as Chatham and Sarnia**, as well as several **other smaller communities**. They are located **near many natural, cultural and historic sites**, such as two provincial parks, multiple Indigenous reservations and the end location of the Underground Railroad!

The schools are **very personal**, and they pride themselves on providing **lots of support and communication to their students**. The School District employs an Academic Coordinator, as well as two International Education Coordinators who work solely with International students to ensure that they have the necessary resources to succeed in their academic endeavour.
